Narratives of Investigative Interviews

Interview #1: Neighbor Number 3

June 11, 2014 approximately 1230 hours

- Neighbor #3 stated he really didn't know the driver
- Neighbor #3 owns the house he was interviewed in, and has owned it for 13 years, but just moved back in approximately 6 months ago
- The driver and his family were living in the house across the street at that time
- When asked, Neighbor #3 was able to recall seeing the driver's car, but not specifically the driver himself on Thursday, June 5, 2014.

Interview #2: Neighbor Number 6

June 11, 2014 approximately 1945 hours

- Neighbor number 6 stated the driver and his family had lived on the street for five or six months
- He stated he knew the driver's wife well – he had done some repair work for her following a storm – but had only seen the driver once.
- He could not recall when it was that he had seen the driver
- He was able to provide a cellular phone number for the wife, who he knew as “Dee Dee” – [REDACTED].
- Neighbor six stated that the driver had, in the past, driven a blue tractor-trailer that he had parked at a nearby Shell gas station.
