My name is Jason Hall, I am 48 years old, and tonight I am giving a statement to Detective Sain about an incident that occurred at the railyard. Today, around 4pm, I was working in the train yard. We were moving train cars. One of my co-workers, Bradley Malone, saw some train cars rolling that had got away from the other end. Once we saw the cars rolling, it was too late and they hit the engine. The engine was moving and pushing cars when the other cars hit it. We did not see if Chris, who was on the engine, jumped or fell off but we found him laying on the ground. Chris was talking to EMS when they arrived. Jim Ellison, another employee called 911.

I have read this statement consisting of 1 page(s), and I affirm to the truth and accuracy of the facts contained therein.
