UGI DISTRIBUTION INTEGRITY MANAGEMENT PROGRAM

(DIMP)

Plan Implementation: Effective August 2, 2011

Last Revised: March 30, 2021

Plan Review Policy

This DIMP plan document shall be reviewed periodically, not to exceed five years, or as necessary due to program changes or changes to the governing regulations. The review will be initiated by the Supervisor – Distribution Integrity and Leak Survey. As a result of the review, updates to this document will be reflected by redline(s) or equivalent and the new version of the document will be approved by the designated Signatory. If no changes are required as a result of the document review process, the Signatory will certify a periodic review has been conducted and maintain a copy as evidence in the Distribution Integrity Management of Change (MOC) files.
