Re: Joseph Bisso Laid Up Status

Due to the economic down fall we have no further contracts for work for the Joseph Bisso. We therefore would like to place the vessel in laid up status effective 01 August 2018.

This is the info on the Joseph Bisso, IMO# 7819656 and the Official # 600827.

The Joseph Bisso is presently moored and maintained at Bisso Marine, LLC yard in New Orleans, LA. The vessel is on shore power and routine checks and reports on the vessel are routinely performed.

For any question please contact Philip Robin,
