**STATEMENT OF MAVLYUD GALUSTOV**

I, Mavlyud Galustov, Manager of FBI Express Inc., DOT # 2192976, make the following statement freely and voluntarily to Robert Soojian, who has identified himself to me as a Special Agent for the U.S. Department of Transportation, Federal Motor Carrier Safety Administration. No threats or promises have been made to me in exchange for this statement.

I, Mavlund Galustov, Manager of FBI Express Inc., have the responsibility for compliance with the Federal Motor Carrier Safety Regulations (FMCSRs), and how they pertain to FBI Express Inc.

On or about 06/25/2019 at approximately 1:30 PM, SA Soojian reported to my office and requested the driver qualification and drug and alcohol testing files for driver Vlodymyr Shukouskyy.

SA Soojian: Mr. Galustov, why is it that Vlodymyr Shukouskyy is no longer employed by your company.

Mr. Galustov :

*MG* Mr. Shukouskyy was involved in an accident in Texas on June 3, 2019. I sent him to have a post-accident drug test and then I never heard from him until he came back to Massachusetts. Mr. Shukouskyy failed to do the post-accident drug and alcohol tests as I ordered until he return to MA on 06/07/2019. *MG*

*MG* Mr. Shukouskyy had some reported damages to vehicles he had transported over the past few months so I decided that I could no longer have him as a driver in my company. His last day was June 7, 2019. However, he had not driven for my company after the accident on June 3, 2019 *MG*

I have read the above statement. It is true, to the best of my knowledge and belief, and I affix my signature below under penalty of perjury.
