Status

KOD 00.xxxxx Cost Center CATCHING - nets, trawl gear, pots, blocks, stern gate/roller

40003 Electrical

1 Naust System Inspection

v 5%

40006 Equipment

1 Inspect / Repair all winch brakes

cy 30%

1 Need to remove PMW Adjuster screw on brake band to free up for proper adjustment

y 50%

1 Rebuild 6 main winch level wind roller

y 50%

1 Need to Inspect Brakes and clean all 3 Cod End winches and Both Gilsons Clean & Inspest brk.

c

1 Need 2 level wind roller made out of stainless steel for 3rd wire winch.

y 10%

1 Net Helix 1280, headrope is broken under the kite. Foot chain is twisting up, replace 3 strand bars off the foot chain, check the backend 4inch

y

1 Send 80 ton trawl blocks in to to be serviced/rebuilt.

cv 10%

1 Replace port main winch air brake

y 50%

KOD 60.xxxxx Cost Center MANUFACTURING - factory / production

0300 Pipes, Valves & Fittings

1 Inspect/repair all factory overboard through hull piping (ABS required)

v 10%

1 Repair hot water line leak above lab. Copper/PEX.

y

1 Install flow switch on discharge of Factory SW Supply Pumps

yc

1 Replace Factory Saltwater piping in Watermaker space in bilge

y

40003 Electrical

1 Refurbish communication beacon for offload emergency stops in the freezer hold.

c

1 Refurbish electrical box for offload system at the boxilator.

v PP

1 Refurbish all freezer hold conveyor/stanchion outlet internals.

cv PP

1 Continue light replacement with LED sticks.

cv

1 New Computer for plate freezers HMI.

40006 Equipment

1 Refurbish cod table.

c

40011 Hydraulics

1 Send out one main factory hydraulic pump for refurbish.

cv

1 Inspect/repair hydraulic hoses and fittings.

yv

1 Hydraulic clean up at motor/Estop bypass.

v

40015	Production			
	1 Inspect/repair fish sorter bearings.		c	25%
	1 Inspect fish oil decanter and clarifier. Alfa Laval Bobby Jensen.		v	10%
	1 Inspect/repair case up strappers.		c	
	1 Replace #4 Baader 54 skinner with Baader 52 skinner.		cv	90%
	1 Inspect/replace fwd bearing on Alfa Laval 438. Does not accept grease.		v	10%
	1 Inspect/repair extruders and metering hoppers.		c	
50001	Services			
	1 Pressure wash/sanitize freezer hold.		v	
KOD 61.xxxxx	Cost Center - FACILITY - house, galley, bunks, heads - non production			
0300	Pipes, Valves & Fittings			
	1 Retrofit 01 shower valves		c	
	1 Repair section of 3" Fire Main Line 02 level stair well overhead going into Electrician shop		y	100%
40002	Construction Supplies & Services			
	1 Re cover bench cushion in deck shack and captains chair in the wheelhouse.		v	
	1 Replace floor in bathroom in room 02-18 (Night Deck Boss room).		v	
	1 Replace floor in bathroom rooms 01-05 and 01-04 (Deckhands room)		v	
	1 Refinish all wood window frames and Seals in Wheel House		v	PP
