Date: April 3, 2024
Subject: CEN23FA360, Witness Interview
Contact: Ms. Se'Naqua Hildreth

Ms. Hildreth stated that she was traveling northbound on Interstate 235 on August 13, 2023, and saw N7910P fly over powerlines about 95 ft above the ground before striking the powerlines with one of the wings. The airplane appeared to be straight and level when it struck the powerlines and there was no fire or smoke coming out of the airplane.
