**Date:** October 31, 2022  
**Subject:** WPR22FA235 - Interview  
**Contact:** Natalie Posey, daughter of accident pilot

Ms. Posey stated that her father was 64 years old and in good health at the time of the accident. He was very active, worked out twice a day, ate healthy and wasn't on any medications to her knowledge. The family did not have any history of heart disease. On the morning of the accident he communicated with her father and observed no abnormalities in his behavior or demeanor.
