

Interview with [REDACTED]

January 27, 2024

1131 Shalamar Dr.

Mrs. [REDACTED] that her husband was walking the dog at approximately 8:00pm on January 26, 2024, when he smelled gas. He did not call the gas company but mentioned it to his wife after the incident.

Mrs. [REDACTED] said she heard an explosion around 4:30am on January 27, 2024. She called 911 at 4:32am but they said it was already reported. She provided me with a video from her home security system. It showed the flash, sound and small debris. The video is timed at 4:30am. She also said that work was going on at the 1146 Shalamar Dr. address.

[REDACTED] the adult son of [REDACTED] said he smelled gas in front or near 1146 when he walked up the street. He smelled it about 2 weeks before the incident, but didn't think much of it.
