Statement taken by	Det. Sain	Location	Norfolk Southern Yard				

My name is Bradley Malone, I am 47 years old, and tonight I am providing a statement to Detective Sain about an incident that occurred at the rail yard today. Around 4pm, I was working in the train yard. I was helping move cars on the tracks and I saw some cars going back the other way towards the engine Chris was running. I ran that way and told him on the radio but I can't remember what he said. I saw the crash and was the first one to Chris. Chris was laying on the ground saying "what the [REDACTED]" over and over. I saw his leg was messed up so I took my belt off and used it as a tourniquet. I checked him for other injuries but only saw a cut on his head and some blood. I remember he moved his feet and said something like "I still got my feet." I stayed with Chris until EMS started working with him.

I have read this statement consisting of 1 page(s), and I affirm to the truth and accuracy of the facts contained therein.

This statement was completed at 1929 M. on the 31st day of January 20 24.
