

## MEMORANDUM

**Daniel P. Boggs**  
**Air Safety Investigator**  
**National Transportation Safety Board**  
**Office of Aviation Safety - Eastern Region**

---

ERA18FA264,

Falcon 50, N114TD

Mr. Michael Hitchcock was interviewed in person on September 28-29<sup>th</sup>.

Mr. Hitchcock was on duty as an Air Traffic Controller on September 27, 2018 during the Falcon 50 runway excursion.

Mr. Hitchcock stated the airplane touched down normally and at the standard touchdown point on the runway. He also observed the number 2 thrust reverser deploy and watched as the airplane continued down the runway without slowing down.

Dan Boggs  
Air Safety Investigator  
NTSB
