

MEMORANDUM for RECORD

Millicent Hill
Air Safety Investigator
Eastern Region Aviation

Date: April 5, 2022

NTSB Accident Number: ERA22LA113 – NTSB Form 6120.1

- On February 2, 2022, a NTSB Form 6120.1 was emailed to the student pilot with a cover letter providing instructions for completion and submission of the form. No response was received from the pilot.
- On February 10, 2022, a copy of the NTSB 6120.1 form was emailed to the flight instructor, with instructions for the student pilot to complete the form and rerun it. No response was received from the pilot.
- On February 22, 2022, another copy of the NTSB 6120.1 Form was emailed to the pilot.
- As of this writing, the NTSB Form 6120 was never received by the NTSB IIC. Multiple phone calls between February 2 and February 22 were not answered or returned.
