Duke Energy reported over 18,000 customers were dealing with outages in the area at the time of the crash. “After the incident, approximately 18,000 customers were without power due to the downed transmission lines,” Duke Energy said in a statement. “Our crews were able to switch customers to other lines and by 1:30 p.m. all customers have been restored.”

 Dave Faherty  

Breaking Hickory- police and fire have responded to a plane crash in Lake Hickory. Firefighters say the plane struck high tension power lines causing widespread outages north of downtown. Watch channel 9 for updates on this developing story.
