

Andrew Swick  
Aviation Accident Investigator  
AS-WPR

**Date:** May 9, 2024

**Subject:** WPR22LA258, Memorandum of Record on Medical Examiner's Toxicology and Autopsy Report Status

**Contact:** Napa County Coroner's Office, Napa, California

The Napa County Coroner's Office was contacted numerous times by the Civil Aerospace Medical Institute (CAMI) and the NTSB regarding the status of the pilot's Autopsy Report and Toxicology Report. As of May 9, 2024, no reports have been provided.

The NTSB accident report will be published without the Autopsy and Toxicology results. When the reports are completed, they will be added to the public docket for this case.
