## CFVS EXAMINATION BOOKLET GUIDELINES

This booklet is to be used to record examinations of commercial fishing industry vessels. It provides a summary list of Coast Guard requirements to examiners and owners/operators of commercial fishing industry vessels. This booklet should be used in conjunction with the regulations or other aids developed by the Coast Guard to assist in understanding of the regulations. Examiners should retain the "Examiner Copy" of the first page, continuation sheet, and the checklist pages for their records. The "Vessel Owner Copy" of the first page and continuation sheet should be left with the vessel.

## PRIVACY Notice for DOCKSIDE EXAMINATIONS on COMMERCIAL FISHING VESSELS

**Authority:** 14 U.S.C. 504, 46 U.S.C. §§§§ 4502, 4504, 4507, and 6104

**Purpose:** To document the Dockside Examiner's report, enhancement of fishing vessel, safety and promotion of public awareness and education.

**Routine Use:** This information will be used for uniform Coast Guard reporting and administration of Voluntary Dockside Examination data, recording the number of vessels, and level of compliance with Coast Guard regulations.

**Disclosure:** Furnishing this information is voluntary. However, failure to provide this information may prevent issuance of a safety decal.
