## G. Resources for Current Amtrak Train Schedules

In the event of any schedule discrepancies, refer to the following information:

### 1. T&E Crews

Any Amtrak NEC timetable train schedule is available in the most recent “Train Manifest” document through the Amtrak Arrow system which is available for printing at all crew signup locations. Currently crew members are required to obtain and review the most recent manifest for their train. (*Page 6-23, -24; Service Standards for Train Service & OBS Employees, No. 10.1, effective 10/30/17*)

### 2. Dispatching Offices

Amtrak NEC timetable train schedule manuscripts are generated by the “Scheduling Department” in the Consolidated National Operations Center (CNOC), Wilmington, DE and are available for view and printing on the Amtrak Intranet: <http://wiki.corp.nrpc/display/SCH/2018+Schedules+in+Effect>.
