Railway and Contractor are parties to that certain Environmental Emergency Response Agreement dated as of August 15, 2016, Contract No. 1440003833 (the "Contract"). Railway and Contractor hereby agree to amend the Contract as set forth in this Change Order No. 1.

CHANGE ORDER No. 1
 Effective: July 5, 2018

1. Exhibit A of the Contract is hereby amended by adding the following to the end thereof:

"Contractor will provide a boat and 1,000 ft boom as required by USCG and Railway. Boat and boom will be housed at Quick Response, Inc's facility in Greenup, KY. Boat and boom will be owned and maintained by Contractor. Railway agrees to [REDACTED] which starts once equipment is delivered to Quick Response, Inc's facility. Contractor will maintain insurance on the boat, and only Contractor employees are authorized to move or use the boat for maintenance, emergency or OSRO drills. The boat will be made available in the event of any spill or drill exercise at the Portsmouth, OH facility. During scheduled drill exercises, Railway will be invoiced for labor and fuel costs only per contract rates. Actual spill responses and/or un-announced deployment drills will be invoiced per contract rates. Contractor will conduct a monthly inspection of the boat and an annual maintenance inspection (i.e. change oil, check plugs, filters, props). Inspections and maintenance are included in the monthly rent."

2. Except as amended by this Change Order No. 1, the Contract shall remain in full force and effect.

Please signify Contractor's concurrence by signing this Change Order No. 1 below and transmitting a PDF copy to [REDACTED]
