## **Narrative:**

The individual noted was contacted via email and responded with the below information.

## **NTSB Questions:**

1. What was the reason/ purpose of the flight to Panama City, FL?
2. What time did Mr. Slattery awake on the day of the accident? Perhaps a family member received a phone call or message from him in the morning?
3. What were Mr. Slattery's activities on the day of the accident, before the flying was initiated (work, leisure time, etc..)?
4. What time did Mr. Slattery go to bed the day before the accident?
5. What time did Mr. Slattery normally go to bed?
6. What was Mr. Slattery's normal morning awake time?
7. Was Mr. Slattery dealing with any recent health issues?

## **Responses:**

*I talked with my sisters and these are the answers to your questions to the best of our knowledge.*

1. *The purpose of the flight to Panama City was that they were going to look at a few houses to possibly buy for a winter home.*
2. *We are unsure what time he woke up that morning and unable to access his phone records.*
3. *We are unsure of his activities before the flight. He was retired and lived only a few miles from his airplane hanger.*  
*4/5. We are unsure of what time he went to bed before the flight. He would usually be in bed by 10.*
6. *He was usually up by 6 am.*

## NTSB MEMORANDUM FOR RECORD

- 7. We are unaware of any recent health issues that he might have had. We are guessing that my mom would have told of us if there were.*
