PILOT CERTIFICATE [REDACTED]

Medical CERTIFICATE FROM 01/08/2020

[REDACTED]
CRYSTAL RIVER, FLORIDA, 34429

STATEMENT.

I've got a flight lesson with complex airplane.
During taking off on the runway 27 there was intentional
a failure of the engine.

I removed the engine's thrust, applied the
brake, and kept direction control on the RW.
Despite the measures taken, the plane
skidded off the runway.
