Shawn,

Attached are the training records per your request. These records cover from Jan 1, 2017 through today. There is one "FAIL" indicated and that was when the Captain did not show for his Flight Manual Briefing (FMB) class. However, you will see it was made up 2 days later and graded "PASS".

Here are their Flight hours:

	Flight Time (All Aircraft)	Flight Time (Current Fleet) <b>A32F</b>	Last 90 Days:	Last 30 Days:
<b>CA:</b> [REDACTED]	19563.81	3004.97	198.04	64.19
<b>FO:</b> [REDACTED]	10102.52	1824.08	185.44	60.33
