DR-60: Organizational charts for all personnel reporting to

and dispatches work crews for routine operations and maintenance tasks.

technician and often conducts some of the maintenance tasks himself.

Response: The following organization chart lists those personnel reporting to including to the control of the c

is also qualified as a

Region & Area Personnel

DR-61: Are Tom Mix, Casa Grande, and Picacho CS manned compressor stations? If so, please list personnel on duty each shift for each CS by title (i.e. Casa Grande: 2 station operators and 1 supervisor day shift, 1 station operator night shift) and shift hours for day and night shifts, as applicable.

RESPONSE: Tom Mix, Casa Grande and Picacho Compressor Stations are unmanned compressor stations.
