I, Michael Davey, hereby make this voluntary statement to
JPR S Miller at Scene

on _____
I was descending into Cuyahoga County Airport about 10 miles out. The engines started surging, I looked at the gas gauges and they showed empty. I declared an emergency and was vectored toward Geauga County Airport. The engine stopped producing power. As I descended out of the clouds I did not see the airport. At this time I was descending into darkness. Ahead I saw grass, I lowered the gear and landed straight ahead.
