State of New York
County of Onondaga
Town of Skaneateles

DR# 21-311091

I, Carl A Carlson Jr, being duly sworn, deposes and says that I am 87 years of age with a date of birth of [redacted]. I reside at [redacted] and my phone number is [redacted].

I am voluntarily giving this affidavit to Detective Hebert from the Onondaga County Sheriff's Office. I am giving this statement on 5/24/21 at 5:40 am/pm. I am giving this at [redacted].

I would like to say that I am at the hospital because I was injured when my plane crashed. I do not remember flying my plane, a 1946 Luscomb 8A, and do not remember where it was flying but I believe after I crashed someone at the airport helped me out and the reserve speed took me to Geneva prior to coming to this hospital.

My plane is kept at the FingerLakes Regional airport so I must have flown the plane from there. The detective asked me how I ended up at Skaneateles and I again have no idea, but I was looking to sell my plane so I might have been going here to ask my mechanic a few questions.

I have been flying since the 1950's and have had my license for about 60 years. I currently have a sportsman license as I did not get a physical last year. Due to my age my insurance is too expensive so I am in the process of selling my aircraft to stop flying.

I bought this plane about 5 years ago and did a complete overhaul myself as I once owned a shop in NJ doing just that. The engine has about 200 hours on it and I don't remember having any problems with the plane. ^{since the overhaul}

I have read this 2 page affidavit and swear that is the truth to the best of my knowledge and recollection. I know the meaning of perjury, it is the telling of a lie while under oath and I know that false statements made herein are punishable as a Class A misdemeanor pursuant to Section 210.45 of the Penal Law of the State of New York.
