All,

I found the Clearance notice for these engines and they aren't equipped with alignment control draft gears and should be deemed in violation as they shouldn't have been moved together.

Subject: RE: RMEX 6 and RMEX 8 - ME-925 inspection request

Attached is the ME-925 form for RMEX 6, the industry is still using RMEX 8 and will contact us when they are ready for that inspection

Thanks,
Chris Brock
