

RECORD OF CONVERSATION

Aaron M. Sauer
Senior Air Safety Investigator
Central Region

Date: 09/19/2022

Person Contacted: Lt. Michael Roe; Oklahoma Highway Patrol

RE: CEN22LA395

Narrative:

According to Lt. Roe, he and another trooper assisted in the recovery operations of the airplane following the reported accident involving N132JD. Lt. Roe did not have any communication with the accident pilot or passenger. Lt. Roe, who stated that he patrols the Keystone Lake area, observed the accident airplane during the July 4th holiday this past summer. He reported that during that holiday, the airplane was observed to be flying very low over the lake and its surrounding terrain.
