Mr. Strot, I noticed one change on the transcript line 13 . It says 2012 and it needs to be 2011. Thanks

Mr. Pigg,

We appreciate you taking the time to speak with the group about the event. As we discussed, a copy of your interview transcript is attached. Please review this transcript and let me know if there are any corrections (typos, misspelled words, etc.) that need to be made or if it is good to go as is. If you notice anything that was not transcribed correctly, please note the corrections needed on the attached errata sheet (Adobe PDF Fillable). When you note any corrections needed, please reference the page number and line number where the correction is needed.

There is an example errata sheet with an example of a correction needed as well as a "no corrections needed" notation. At a minimum, please fill in your name at the top of the errata page, sign/date the bottom page, and return the errata sheet, even if you do not have any changes so we will have correspondence for our records.

Please review and return the errata sheet by March 11, 2024.

Thank you for your time in this manner,
