

## RECORD OF CONVERSATION

**Debra Eckrote  
Regional Chief  
Western Pacific Region**

---

**Date: 1/9/19  
Person: Greg Hinton – Colusa County Airport Operations  
NTSB Accident Number: WPR19LA058**

---

### **Narrative:**

During a telephone conversation Mr. Hinton reported that he is aware that this airplane has been at the Colusa Airport in the past as the pilot engages in duck hunting this time of year. He was not familiar with the passenger.

He reported that the pilot did not utilize any maintenance services and did not take on any fuel as the airport only services 100LL. The accident airplane was converted to an engine that uses Jet A.
