### **Narrative:**

On an email from Erik Grosf, NTSB Senior Advisor, the following is a summary of the email:

- He forwarded an email from Oct 31, 2018, from a witness (Rev Eden Bloch Jr.), to the takeoff of the accident airplane.
- The witness reported that the airplane departed Riverside, California (KRAL) shortly after the tower closed at 2000.
- The witness worked in maintenance for the Port-a-port section at Riverside.
- He reported that he knew the pilot fairly well and discussed many flying adventures with him.
- He said that the pilot's destination was either St. George or Hurricane, Utah.
