Daniel P. Boggs
Air Safety Investigator
National Transportation Safety Board
Office of Aviation Safety - Eastern Region

Date: 3/16/2020
Person Interviewed: Dunlap Riehle - Pilot
NTSB Case Number: ERA20CA224

Narrative:

Mr. Dunlap Riehle was interviewed by telephone.

Dunlap stated he was flying around practicing some touch and go landings. He stated he landed on runway 15 and had a crosswind from the west. He said a gust of wind caught the airplane and the airplane swerved to the right hard and ground looped. He stated the left-wing tip contacted the runway, damaging the tip and bending the spar. He taxied back to the ramp to check the airplane out.

Dunlap Riehle stated there was no mechanical issues with the airplane.
