RE: Log books for N231GZ

RE: Medical Wright W. Singleton

To whom it may concern,

The crash landing due to engine failure resulted N231GZ and all contents contained including log books for airplane to be lost by consumption in fire.

My medical from Gabrel Freid, M.D. was lost with my wallet prior to the flight. It was a third-class certificate. The doctor's office would not release my records stating that the FAA already has them.

Also lost was my license or plastic card from the FAA.

Sincerely,

Wright W. Singleton
