Position: Coast Guard Investigating Officer

I, the undersigned, make the following statement voluntarily, without threat, duress or promise of reward:

CWO [REDACTED] & NTSB conducted a joint interview with the 2nd engineer on the RIVERSIDE. Representatives from Royston Razor joined representing the MODA dock, Representatives from Welder Leshin joined representing the vessels interest and Liam O' Connell joined representing the P&I club for the vessel. The 2nd engineer was not represented by an attorney. The below is my summary of the interview.

The 2nd Engineer has been a 2nd engineer for 11 years, He has been on the RIVERSIDE for 2 months, and embarked the vessel Jan 14th in Houston, Tx.

The 2nd Engineer's responsibilities are the Main Engine; all machinery and to follow orders from the C/E.

The 2ND Engineer indicated that he received general training prior to coming onboard through discussion with the ships office, including the ships condition. He states when he came onboard everything was working fine. Additionally, they all participated in safety meetings.
