ERRATA

Group Chairman's Factual Report

Fire and Explosions

CONCEPTION
DCA19MM047

Page/ Line	Original	Correction	Resolution
51 and 52		All dialog throughout Appendix A – Exerts From Crew Interviews, is identified as Q: and A: except for the bottom of page 51 and Page 52. On those pages the dialog is identified by names CDR BROYLES and MR. MOLITOR. I am not sure if this was intentional or an oversight.	This has been fixed and the names removed.
