### **Interviewer Summary:**

Steven LaMaritniere was on the phone with girlfriend right outside the door of the Capt. Cabin. The Capt was asked to back down and this Capt was telling the other Capt to keep going forward. He then went out the starboard door assessing the situation and advising the Capt to go hard over to port but it was too late, they hit the bridge.

Steven LaMaritniere affirms this statement is true and accurate to the best of his knowledge.
