

STATEMENT OF DILLIEN SMITH

My name is Dillien Smith. I am employed by Caillou Island Towing Company, Inc. I was a deckhand assigned to the T/B ROBERT CENAC on January, 12th and 13th, 2021. Late at night on January 12, 2021, I was in the galley of the T/B ROBERT CENAC as we approached the CSX Rigolets Pass Railroad Bridge. I was in the galley when the bridge contacted the barge we were pushing. I was not on the barge when the bridge made contact with the barge. I did not come out of the galley until after the incident. After the incident, I went to the barge to perform an inspection.
