Trooper Steve Nyboer
Arizona Department of Public Safety, CVE
2222 W. Encanto Blvd
Phoenix, AZ 85009

RE: Fatal multi-vehicle collision that occurred on June 9, 2021, on State Route 202, near Phoenix, AZ: NTSB #HWY21MH008

Trooper Nyboer,

The NTSB's draft factual reports and attachments for the above referenced investigation are ready for your technical review. The NTSB shares factual information gathered during our investigation with the investigating law enforcement agency and requests that as the Arizona Department of Public Safety – Commercial Vehicle Enforcement unit representative party member, that you review the factual information as part of this technical review to also verify the accuracy and completeness of the information to the best of your knowledge. In addition to any comments, you may have on the draft reports, please also indicate whether you believe any additional information is needed to complete the factual record.

Please submit your technical review comments by no later than Friday, July 1, 2022. The NTSB will review all party member comments and provide written summary of the disposition of those comments, including whether any report changes will be made. Please remember that draft factual reports are for official use only until released in the NTSB public docket.

To access the documents, login to the [National Transportation Safety Board Secure File Sharing](#) website. Navigate to the "Technical Review" folder where there are separate factual reports for your review. There are also subfolders of corresponding attachments and photographs as referred to in the factual reports.

Sincerely,

Michele C. Beckjord
