

UGI UTILITIES RESPONSE TO NTSB INFORMATION REQUEST
September 18, 2023

NTSB Request No. 133: Provide the Business District Leak Survey dates and results for the past 5 years for any surveys within 500 ft of the failure.

UGI Response:

There is not a designated business district within 500 ft of the failure. UGI provided the results of all leak surveys performed in the 5 years prior to the accident in the area within 500 feet of 17 S. 2nd Avenue in response to DR012.

The nearest business district leak survey was performed on the assets highlighted in the map below. These leak surveys are performed annually; the dates and results for the past 5 years are provided below.

Date Surveyed	A Leaks Found	B Leaks found	C Leaks Found
12/3/2018	0	0	0
11/8/2019	0	0	0
12/2/2020	0	0	0
12/7/2021	0	0	0
11/15/2022	1	0	0

Leak ID	Classification	Leak Cause	Address	Component	Leak Repair Date	Comment
72022012578	A	Natural Forces	Park Rd & 840 Penn Ave Intersection	Steel Main	12/01/2022	Leak Clamp
