**USER/INSTALLER RESPONSIBILITIES**

This certificate does not automatically constitute authority to install the item(s).

Where the user/installer performs work in accordance with regulations of an airworthiness authority different that the airworthiness authority specified in block 1, it is essential that the user/installer ensures that his/her airworthiness authority accepts items from the airworthiness authority specified in block 1.

Statements in block 13a and 14a do not constitute installation certification. In all cases the aircraft maintenance record must contain an installation certification issued in accordance with the national regulations by the user/installer before the aircraft may be flown.

Rockwell Collins agrees that it will correct, without charge, any defect in the material or workmanship related to the service work it has performed hereunder, provided the product is returned to the same Rockwell Collins Service Facility that performed the original service work, subject to:

- A. Notice of the claimed defect must be given to Rockwell Collins within one (1) year from the date shipped.
- B. The defect must be related to the original service work performed. Service work is not deemed to be defective if failure is caused by aircraft/system deficiencies, customer caused damage/misuse, shipping or handling damage, or exposure to environmental conditions in excess of those published in the equipment specifications.
- C. Equipment returned to a Rockwell Collins Service Facility must be packaged in the original shipping container or equivalent.
- D. Rockwell Collins' obligation shall be limited to that specified herein, and in no event will Rockwell Collins be responsible for consequential damages.

This guarantee is void if, prior to making claim, the equipment is altered or repair is attempted by parties other than Rockwell Collins.

The above guarantee is in lieu of provision 5 of the Rockwell Collins Inc., Rockwell Collins Services, General Conditions of Sale. All other terms and conditions of that document

Rockwell Collins agrees that it will correct, without charge, any defect in the material or workmanship related to the service work it has performed hereunder, provided the product is returned to the same Rockwell Collins Service Facility that performed the original service work, subject to:

- A. Notice of the claimed defect must be given to Rockwell Collins within one (1) year from the date shipped.
- B. The defect must be related to the original service work performed. Service work is not deemed to be defective if failure is caused by aircraft/system deficiencies, customer caused damage/misuse, shipping or handling damage, or exposure to environmental conditions in excess of those published in the equipment specifications.
- C. Equipment returned to a Rockwell Collins Service Facility must be packaged in the original shipping container or equivalent.
- D. Rockwell Collins' obligation shall be limited to that specified herein, and in no event will Rockwell Collins be responsible for consequential damages.

This guarantee is void if, prior to making claim, the equipment is altered or repair is attempted by parties other than Rockwell Collins.

The above guarantee is in lieu of provision 5 of the Rockwell Collins Inc., Rockwell Collins Services, General Conditions of Sale. All other terms and conditions of that document

**Defective / Failed Parts Replaced**

| Part Number  | Description                       | Circuit Symbol |
|--------------|-----------------------------------|----------------|
| 221-0124-040 | BATTERY, LITHIUM/THIONYL CHLORIDE | BT1            |

Rockwell Collins agrees that it will correct, without charge, any defect in the material or workmanship related to the service work it has performed hereunder, provided the product is returned to the same Rockwell Collins Service Facility that performed the original service work, subject to:

- A. Notice of the claimed defect must be given to Rockwell Collins within one (1) year from the date shipped.
- B. The defect must be related to the original service work performed. Service work is not deemed to be defective if failure is caused by aircraft/system deficiencies, customer caused damage/misuse, shipping or handling damage, or exposure to environmental conditions in excess of those published in the equipment specifications.
- C. Equipment returned to a Rockwell Collins Service Facility must be packaged in the original shipping container or equivalent.
- D. Rockwell Collins' obligation shall be limited to that specified herein, and in no event will Rockwell Collins be responsible for consequential damages.

This guarantee is void if, prior to making claim, the equipment is altered or repair is attempted by parties other than Rockwell Collins.

**Service Notification: 105899128**

**Page 3 of 3**

The above guarantee is in lieu of provision 5 of the Rockwell Collins Inc., Rockwell Collins Services, General Conditions of Sale. All other terms and conditions of that document remain in effect.
