

Errata to Close Out Memorandum

West Hollywood, CA

HWY18FH014

(2 pages)

Errata for the Close Out Memorandum:

The first sentence in the synopsis is written as:

On Friday, June 15, 2018, about 5:30 p.m., pacific daylight time, a 2014 Tesla Model S electric-powered passenger car, occupied by a 44-year-old male driver, was traveling westbound on Santa Monica Boulevard, in West Hollywood, Los Angeles County, California.

The vehicle's manufacturing date is incorrect, and the sentence should read:

On Friday, June 15, 2018, about 5:30 p.m., pacific daylight time, a *2012* Tesla Model S electric-powered passenger car, occupied by a 44-year-old male driver, was traveling westbound on Santa Monica Boulevard, in West Hollywood, Los Angeles County, California.
