### Statement

I was visiting my friend Shawnell Surratt. We were sitting on her porch. We heard a plane that sounded like it was sputtering. We couldn't see it, but we heard it. I told her it sounded like the plane that crashed in Ivins years ago. Then we heard a loud thud, then silence. We ran to the front of her home, and we seen something falling from out of the sky that looked like two pieces of metal fluttering down by the point of the mountain. And she asked if we should call 911? And we agreed we should. It's best to be safe than sorry. Then the cops came.

I give this statement of my own free will. No promises, threats, or coercion of any kind have been made to me by any Hurricane City Police Officer.

I was sitting on my porch around 130 pm, I heard what sounded like an airplane motor chugging out. All of a sudden there was a big boom. We ran out to the street and saw debris falling in the sky above the mountain and then proceeded to call 911.
