Morning,

Thanks,

That is correct, no wreckage has been discovered. How long will NTSB consider it missing before declaring it destroyed?

Hi,

That accident number is CEN21LA385. Can you confirm that the wreckage has not been located or recovered?

Morning,

We are looking for an accident or incident number for N744RB. That is the R-44 which was lost in the Mississippi River a few weeks ago.

Thanks
