Re: Manhattan - E. Harlem, NY City, NY (DCA14MO002)

Dear Mr. Chhatre:

Enclosed are copies of the following specifications:

- 1) **EMP-200** - Gas Operations Emergency Response Plan
- 2) **G-11809-28b** - Procedure for Outside Gas Leak Reporting, Classification, Surveillance, Repair and Repair Follow-Up Inspection
- 3) **G-11837-25** - Investigation of an Inside Gas Leak or Odor Call and Issuance of a Warning Tag
- 4) **G-11850-14** - Reporting Natural Gas Incidents, Evacuations, Major Service Interruptions, Exceeded MAOP, and Carbon Monoxide Incidents
- 5) **G-11876-0** - Dispatching Emergency and Non-Emergency Work by the Gas Emergency Response Center
- 6) **CI-490** - Customer Care Emergency Response Plan
- 7) **G-11845-5** - Gas Emergency Liaison, Training and Response with External Public Safety Agencies
- 8) **G-11848-1** - Emergency Communication – Employee Down
- 9) **G-11851-3** - Reporting of Unscheduled Interruptions of Gas Services.

Very truly yours,

  
Leonard P. Singh  
Chief Engineer
