Memorandum

Date: October 19, 2022
From: Thomas Barth, Chief, Special Investigations Branch, HS-22
Subject: Victim Information for Decatur school bus occupant 7C (HWY21FH001)

Due to COVID travel restrictions, content for the school bus occupant information contained in the Survival Factors Group Chairman's Factual Report was based on the best information available from the Tennessee Highway Patrol and other sources. School bus passenger 7C was noted as sustained minor injuries and not transported by EMS from the scene.

Information received on September 1, 2022 from the family of passenger 7C indicated that the passenger's father was a first responder to the crash. He arranged transport by Bradley County EMS to Tennova ER in Cleveland TN. Passenger 7C sustained a concussion with loss of consciousness and other injuries.
