Hi Paul,

No flight plans were filed through ForeFlight for N725TH. We do have a customer named Jason Winters who has N725TH in their account, and the last route entered was for a flight in the Bellingham WA area, so I believe it is likely a match.

These routes were entered into the app prior to the flight:

Date/Time (UTC)	Updated Route String
9/4/2022 17:03:41	48.855/-123.492 48.944/-125.547 49.122/-125.815 48.869/-123.492 2000FT
9/3/2022 21:28:25	48.855/-123.492 48.944/-125.547 49.122/-125.815 2000FT
9/3/2022 21:27:11	48.855/-123.492 48.944/-125.547 2000FT

No weather briefings were generated in the app prior to the flight, and no Weather Imagery was viewed in the app prior to the flight.

FYI: We have already provided the above information to your colleague Eric Gutierrez.

Best regards,
