Subject: [Non-DoD Source] Titan - NAVAREA IV messages

Good morning, Ed,

I'm still working on the *Titan* submersible implosion that occurred near *Titanic* last year (vicinity of 41-44N 049-57W)
I was just browsing your site looking for related NAVAREA IV messages from that time and came up blank. Would you give me a call anytime at your convenience?

Thanks,
Marcel
