Thanks, Al. Just to be clear, you don't have any changes for the images or associated text and you are OK with them in the publicly available accident brief.

Thanks again,
Kris

Hi Al,

Happy New Year again and thank you for the quick call back. As we discussed on the phone, we are finalizing a highway accident brief (NTSB short report) on the Delray Beach, FL crash and plan to include several still images from the forward-facing camera. Attached are two pages from the draft report that address the Tesla cameras and the still images highlighting the motion of the truck.

Please let me know if you have any suggested changes to these images or the associated descriptions.

Thanks in advance,

Kris
